

DIVINE BRIGHTENING MASK

What Is It

An intensive facial treatment that helps brighten skin complexion and replenish moisture. Formulated with 7 proven brightening ingredients and moisture binding factors, this innovative paper mask instantly enhances skin tone and fights dullness and discoloration caused by aging and sun exposure; leaving the skin soft and dewy with a healthy glow. Non-comedogenic. Hydroquinone-free. Fragrance-free.

Key Features

- Evens out skin tone and discoloration
- Hinders the formation of melanin
- Reduces fine lines and wrinkles
- Provides suppleness to the skin
- Protects the skin against free radicals
- Formula is non-comedogenic

Key Ingredients

- **Licorice Extract:** An anti-pigmentation agent that inhibits the production of melanin and absorbs the UV rays.
- **Mulberry Root Extract:** Aids in reducing the appearance of discoloration.
- **Vitis Vinifera Seed Extract:** Shown to be effective in reducing blemish and pigmentation
- **Rosa Canina Fruit Extract:** Contains many nutrients and active ingredients, and in particular has high alpha linoleic acid content. Stimulates cell renewal and promotes the formation of the skin's natural lipid barrier.
- **Sodium Hyaluronate:** Capable of holding moisture 1000 times its weight. Used in rejuvenation skin products and in injections to puff out wrinkles.

Directions

Use after cleansing. Open pack, take out the mask and unfold. Place over the face for 30 minutes and remove the mask. Massage any remaining fluid into the skin. Discard mask after use.
