

## REPLENISH MOISTURE CREAM FOR SENSITIVE SKIN

### **What Is It**

Replenish Moisture Cream for Sensitive Skin is a restorative moisturizer designed to complement the skin's natural healing process. The cream features Sodium Hyaluronate and Rosa Canina Fruit Extract as two of its key components. These essential ingredients rapidly increase the hydration levels in the skin, creating a moisture barrier to fend off environmental irritants. Recommended for dry, oily or acne prone skin that is sensitive and easily irritated. Anti-inflammatory. Non-comedogenic. Fragrance-free.

### **Key Features**

- Boosts cell hydration
- Strengthens the lipid barrier
- Corrects irritation and redness
- Weightless texture
- Formula is non-comedogenic

### **Key Ingredients**

- **Sodium Hyaluronate:** Capable of holding moisture 1000 times its weight. Used in rejuvenating skin products and in injections to puff out wrinkles.
- **Glycerin:** Helps protect the outer barrier of skin and prevent dryness and scaling.
- **Rosa Canina Fruit Extract:** Contains many nutrients and active ingredients, and in particular has high alpha linoleic acid content. Stimulates cell renewal and promotes the formation of the skin's natural lipid barrier.

### **Directions**

Apply a small amount to the face and neck with gentle and smooth circular movements. Wait five minutes for absorption. For best results, use after Replenish Moisture Serum for Sensitive Skin, and follow with Anti-imperfection Eye Therapy with Growth Factor. Apply twice a day or as directed by physician. Use as a daily moisturizer or after beauty procedures such as microdermabrasion, radiofrequency skin tightening treatment or laser skin resurfacing treatment.
