

REPLENISH MOISTURE SERUM FOR SENSITIVE SKIN

What Is It

Formulated to be molecularly smaller than the Replenish Moisture Cream for Sensitive Skin, this fast-acting soothing serum instantly penetrates the skin and deposits essential nutrients to repair the lipid barrier. In addition, this serum helps correct the appearance of irritation and redness caused by environmental stress. Recommended for dry, oily or acne prone skin that is sensitive and easily irritated. Anti-inflammatory. Non-comedogenic. Fragrance-free.

Key Features

- Boosts cell hydration
- Strengthens the lipid barrier
- Corrects irritation and redness
- Weightless texture
- Formula is non-comedogenic

Key Ingredients

- **Sodium Hyaluronate**: Capable of holding moisture 1000 times its weight. Used in rejuvenating skin products and in injections to puff out wrinkles.
- **Glycerin**: Helps protect the outer barrier of skin and prevent dryness and scaling.

Directions

Apply 3-5 drops to freshly cleansed face and neck. Massage gently to ensure absorption. For best results, apply Replenish Moisture Cream for Sensitive Skin to lock in the serum, and follow with Anti-imperfection Eye Therapy with Growth Factor. Apply twice a day or as directed by physician. Use as a daily moisturizer or after beauty procedures such as microdermabrasion, radiofrequency skin tightening treatment or laser skin resurfacing treatment.
